

Memorandum of Understanding (MoU)
Between
Don Bosco College of Engineering (DBCE)
And
InfiCorridor Solutions Private Limited

On 15th Oct. 2019 a Memorandum of Understanding (MoU) was signed between Don Bosco College of Engineering (DBCE) and InfiCorridor Solutions Private Limited, Mumbai, Maharashtra.

The purpose of the MoU is to identify domains with mutual interest, and to further collaborate for capacity-building, research and development and to provide mentoring to selected students by the industry-counterpart in the form of internship and guidance for academic projects.

The MoU aims at providing the students of Don Bosco College of Engineering an aid to the learning process with hands-on in the form of guided mini projects and organise lecture series for students from industry experts.
